The International Surface Event Confidently Moves Ahead with Safety at the Heart of Upcoming In-Person Event

LAS VEGAS – 4 January 2022 – The International Surface Event (TISE) 2022: SURFACES | StonExpo/Marmomac | TileExpo will take place February 1 - 3, 2022 at the Mandalay Bay Convention Center. Our community is eager to reconnect, with new attendees and exhibitors registering every day, and we are committed to providing that important platform for them.

While your success is a top priority, your safety is too. TISE wants to reassure you the event will take place, and that TISE is putting safety at the heart of the event experience so the industry is able to reconnect and get back to business, while keeping our community safe.

TISE 2022 will follow all local health guidelines, including Nevada's mandate for masks to be worn in all public places, regardless of vaccination status. The rule applies indoors only, and includes all casinos, meeting spaces & convention centers, and restaurants/bars in Las Vegas and throughout Nevada.

Masking is an important tool to help provide a safer environment during this current surge of Omicron, and TISE appreciates all TISE 2022 participants complying with this state mandate for the benefit of all who enjoy coming to TISE this and every year.

Additionally, TISE will have hand sanitizing stations throughout the venue, as well as an enhanced sanitation schedule, and widened aisles to promote physical distancing.

The International Surface Event is in close partnership and communication with the City of Las Vegas and local health officials for their expertise and guidance, and will continue to keep you updated on any changes to its health and safety program moving forward.

TISE is thrilled to welcome you to Las Vegas in February, and look forward to starting 2022 off with a fun, safe and successful show!
